4. The tables, chairs, and temporary street furniture shall be positioned in the area agreed with the Authority. All tables, chairs and items of street furniture shall be sited adjacent to your premises and not obstruct access to any other premises unless the consent of the occupier of these premises has been obtained.
5. Any infringements of the licence or problems arising out of the use of the site must be immediately rectified to the satisfaction of the Authority. The Authority reserves the right to terminate a licence without notice.
