

We are a group of young people aged 12–25 who have special educational needs and/or a disability (SEND) who live or attend education in North Tyneside.

We gather children and young people views and experiences and share these with decision makers – this helps improve services for all children and young people with SEND.

New members are welcome – your voice matters!

We meet once a month (Wednesday) at North Tyneside Council offices, Cobalt Business Park. You can also attend virtually attend using Microsoft TEAMS if you prefer.
